Administrative Fees

Schwab Charitable offers competitive administrative fees to cover expenses of operating a donor-advised fund account. These include web and phone support, grants administration, and quarterly account statements.

	AVERAGE DAILY VALUE	ANNUALIZED ADMINISTRATIVE FEES
Balances of up to \$5 million	First \$500,000	0.60% of assets [†]
	Next \$500,000	0.30% of assets
	Next \$1,500,000	0.20% of assets
	Next \$2,499,999	0.15% of assets
Balances of at least \$5 million	Please call 1-800-746-6216 for more information.	

How Fees Are Charged

Core Accounts: We assess an annualized administrative fee of 0.60%, which is collected as part of the operating expenses of the investment pools. Fees for accounts of more than \$500,000 will be reduced via a quarterly rebate payment to the account. Only accounts that are open at the time of the fee rebate will receive it. There is a \$100 minimum for annual account fees, assessed on an annual basis (on or around July 31), less any administrative fees that have been collected during the year.

Professionally Managed Accounts: We assess an account administrative fee on a quarterly basis, based on the account's average balance for the preceding quarter, that is deducted from the account.

[†] Professionally managed accounts are available only through independent investment advisors working with Schwab Advisor Services™, a business segment of The Charles Schwab Corporation serving independent investment advisors and including the custody, trading and support services of Charles Schwab & Co., Inc.. Although donors may recommend an advisor, Schwab Charitable must approve the recommendation. Advisors must meet certain eligibility requirements and adhere to Schwab Charitable's fee and investment guidelines. You may request a copy of the investment guidelines by calling 800-746-6216.

[‡] The minimum individual account administrative fee will be the greater of \$100 or 0.60%.
